A complaint submitted by a person or business about another person or business violating sections of the code. If a complaint is validated, the Health District (EHS) will issue a Notice of Violation (NOV).

Within 10 days of receiving a NOV, a facility can request an informal meeting with EHS to appeal a NOV.

An informal meeting allows a facility to provide their point of view and input. The EHS and the facility will discuss specific items and general topics to establish common ground, additional information and education.
